WELCOME TO SHELDON-WILLIAMS COLLEGIATE

Home of the Spartans

The staff at Sheldon-Williams Collegiate would like to welcome you to Sheldon and to the 2024-2025 school year! We are excited to start the school year and look forward to meeting our new students and their families as well as seeing the familiar faces of last year's students.

Sheldon-Williams Collegiate is a friendly, safe and caring place to learn and grow. We have developed a rich tradition of excellence that has been built upon a foundation of continuous improvement and life-long learning.

Ad Vitam Paramus "Preparing for Life"

At Sheldon-Williams we prepare our students for life by providing a supportive and challenging learning environment where we encourage all students to reach their potential in academics, athletics and the arts.

More information will be sent home by your advisory teacher.

Sheldon-Williams Collegiate School Community Council (SCC)

The Sheldon-Williams School Community Council welcomes staff, students and families back for another school year. We extend a warm welcome to families and staff who are new to our school. In 2024-2025 the Sheldon-Williams School Community Council will continue to promote mutual understanding between the school and the community. This council will share responsibility for the learning success and well-being of all Sheldon-Williams students. The SCC will work on school planning and school improvements for the upcoming year. The School Community Council consists of the school staff, students, parents/guardians and/or community members. The SCC meets approximately once a month for about one hour. Please consider joining the SCC.

SWAP: Sheldon-Williams Advisory Program

Students attending Sheldon-Williams are placed into the SWAP program. Students from grades nine to twelve will meet with their SWAP teacher throughout the year. We also encourage regular contact between parents/guardians and the SWAP teacher. This allows both the student and the parents/guardians to build a relationship with their advisory teacher.

Edsby - Parent Portal

Edsby is a convenient and efficient internet-based way for parents/guardians to monitor their student's progress on a daily or weekly bases. All parents/guardians can have access to their child(ren)'s attendance and marks by setting up a Parent Portal account.

Please contact your child's SWAP teacher or the office at (306) 523-3550 to learn how to set up your account.

Setting up your account in the first week or two of school will help you monitor your students' progress and assist in a successful start to the school year.

Extra-Curricular Activities

Opportunities for students to learn and practice new skills take place both inside and outside of the classroom. A very important part of our school program includes extra-curricular activities available to students. Students are encouraged to become involved, learn new skills and make new friends. Emphasis is placed on personal growth, team or group participation and sportsmanship. Student leadership and decision making are promoted through all extra-curricular activities.

Attendance

Attendance is a prerequisite for academic achievement. We expect students to make a commitment to be responsible and accountable regarding their attendance. We follow a policy of continuous evaluation, which requires students to participate in classroom activities each day. We need the support of parents/guardians regarding attendance to help students achieve success. Please call the office at (306) 523-3550, enter in Edsby or email sheldonwilliamscollegiate@rbe.sk.ca to report a student's absence.

One of the most important things a student can do is to establish strong bonds with their teacher. Regular attendance and accountability by students are strong indicators of effort and willingness to cooperate. We appreciate your support of our school programs. Do not hesitate to call or visit at any time.

Timetables

Grade 9 student schedules are rigidly set. We do not accommodate timetable changes unless there is a requested course missing. If you believe a requested course is missing from your students' timetable please call the office.

For all other students, we will use the QR code for schedule changes again this year.

School Fees

Invoices will be distributed in SWAP the first week of October and can be paid through School Cash Online.
