**& Why You
Should Come!**

February 13th, 2025

Put this into your calendar so you don't forget!

Did you do it?

Why should I come?

- It creates a space for connection with your community!
- It's an opportunity to learn hands-on about Indigenous traditions and practices
- It allows for you to be an ambassador of Sheldon!

**Everyone is
welcome.**

**We would love to
see you there.**

Stay tuned for more information!
